In the Name of Allah, the Most Beneficent, the Most Merciful

A Message from Qa`eda al-Jihad for the Family of the Prisoner, Warren Weinstein

The organization of Qa`eda al-Jihad would like to clarify the following for the family of the prisoner, Warren Weinstein:

- Your government wants Warren Weinstein to die in prison so that it may absolve itself of responsibility regarding his case.

- Your government has not made any serious efforts for the release of the prisoner.

- Your government has not contacted us for his release.

- We are not interested in retaining the prisoner in our protection; we are only seeking to exchange him in return for the fulfilment of our demands that we have conveyed.

- With the permission of Allah, we will not spare any efforts for the release of our prisoners who have been imprisoned by your government for no guilt except that they had acted in defense of the Muslim Ummah against the oppression of the American government.

- Your continued silence on the inaction of your government will only lead to your prisoner dying a lonely death in prison after this deliberate and prolonged neglect on the part of your government.

- Therefore, if you want Warren Weinstein to be released, do whatever you can to pressurize your government.
